

Standing Instructions & 1st Stage Application Portal User Manual

The below mentioned instructions to be followed while submitting 2+2 proposal using the portal.

- 2+2 proposal requires at least 4 partners and one of them should be the **Coordinator** of the consortium.
- **ONLY Coordinator** should register into the portal and initiate the process of proposal submission.
- Coordinator shall register himself/herself and fill the basic project details (e.g title, duration, acronym, abstract, keywords etc.)
- Coordinator must add other project partners in **Consortium Details** page.
- Each project partner will receive **individual emails with login credentials** to fill up their details and CV.
- **Coordinator** can fill his/her own details and CV.
- Coordinator must fill the **“Financial Contribution”** page on behalf of the consortium.
- Once other project partners complete filing the information and click the **submit button**, Coordinator will receive system generated acknowledgement emails from project partners.
- Every Consortium need to upload the **project details** in the portal in PDF. **Only Coordinator** can upload the document. Rest of the project partners will be having only viewing rights. The blank format is available at https://www.igstc.org/home/scheme_forms , IGSTC Form No. 018.
- At the final stage when all project partners submit their individual details, the **Coordinator** shall make the final submission.
- The proposal could be saved at any stage, and it will be in **“Draft”** form in Coordinator’s dashboard.
- Coordinator **CANNOT** make any further changes once he/she submits the proposal.
- The pdf of the **submitted proposal** will be available in Coordinators Dashboard for view / download.

1. Create a new account if you are a first-time user. Click on **“Create an Account”** or you can **“Sign in with Google”**.

The image shows two side-by-side panels. The left panel is the login page for IGSTC. It features the IGSTC logo at the top, followed by an 'Email' input field with the placeholder 'Enter your email', a 'Password' input field with a visibility toggle, a 'Remember me' checkbox, and a 'Forgot Password' link. A green 'Login' button is centered below the fields. At the bottom, there are links for 'Sign in with Google' and 'Create an Account'. The right panel is a project poster titled '2+2 PROJECTS | Call 2024 on AI for Sustainability'. It includes the IGSTC logo, a central graphic of a globe with various icons, and text describing the project's focus on AI-assisted understanding of extreme weather events, climate models, and infrastructure planning. It also lists salient features such as funding amounts for India and Germany, a 3-year duration, and a focus on ethical and fair AI.

2. Click on **“Create an Account”**, you will be re-directed to Registration Page.

The image shows two side-by-side panels. The left panel is the registration page for IGSTC. It features the IGSTC logo at the top, followed by the heading 'REGISTRATION'. A blue box contains instructions: 'Only the Coordinator should register on the portal and submit the proposal on behalf of the consortia. Other partners in the project should not register. They can be added by the Coordinator from the application portal.' Below this are input fields for 'First Name', 'Last Name', 'Institution/Organization', 'Homepage URL', 'Email Address', and 'Password' with a visibility toggle. At the bottom, there are 'Back' and 'Submit' buttons. The right panel is the same project poster as in the previous image, titled '2+2 PROJECTS | Call 2024 on AI for Sustainability', detailing the project's focus and salient features.

3. Fill out the registration details as mentioned in the form and click on **“Submit”** button.
 - **First Name & Last Name** – Alphabetic fields. Name should be same as mentioned on other documents.

- **Institution Organization** – Alpha-numeric field. Enter the name of your company or organization you are associated with.
- **Email Address** – Alpha-numeric field. The email address should contain “xyz@domain-name.com”
- **Password** – Alpha-numeric field. It should contain, A capital letter (Upper case), A small letter (lower case), A number (0-9), Special Character, the length of the password should be Minimum 8 characters and Maximum 15 characters.

8. Once you login with your credentials, you can directly click on the **apply button** to apply the proposal.

9. Then comes the first section of the stage i.e., **BASIC DETAILS**.

- Basic Details include Project Acronym, Title of proposal, Title in German, Duration in Months, Subtopic which you must choose among the four topics, Keywords and Summary (Max characters Limit Without Space 1000).
- **Title of the Proposal** (in English) – Multiple data input box (text, number, special characters, etc.)
- **Titel des Antrages** (in German) – Multiple data input box (text, number, special characters, etc.)
- **Acronym** (should be brief) – Multiple data input box (text, number, special characters, etc.)
- **Duration** in months – Number field with a max limit of 36
- **Summary** – Multiple data input box (text, number, special characters, etc.) - character limit of 1000 excluding spaces.
- **Keywords** (max. 6) – list box to add keywords with a max. limit of Six.
- **Subtopics** list include (you need to choose among the given sub-topics):
 1. AI assisted undertaking of extreme weather events
 2. Infrastructure Planning
 3. Ethical and Fair AI

Once you fill in these details and save and next, you have to click on save and next and then you will be redirected to the next section.

10. Next section is Consortium details.

Note: While filling in these details, you must follow the below rules:

- Kindly add details of other project partners for satisfying the 2+2 mode of partnership.
- You may please note, the project partners would receive a system generated email with specific instructions to fill their individual details like CV, etc.
- Without filling their details, the application can't be submitted.
- It is your responsibility as a Project Coordinator to ensure that the other partners are filling their respective details.
- **Coordinator should fill only the Last name of the Project Partner. Other Personal details will be filled by the Partners on CV Details page.**

Since you are the project coordinator, you must begin with the coordinator details.

- **Coordinator can add max. 3 to 5 more users including him/her (in total up to 6) (3 from India and 3 from Germany).**
- **Ensure the total maximum number of PI = 6 including max 3 from each side.**
- **It will prevent proposal submission with <4 partners and not having at least 2+2 nature.**
- Initially, you must fill in the coordinator details. Here, Coordinator is from India and from the industry. So, the relevant and basic details that need to be filled here are Name of the Project partner, Current Position/Designation, Department/Division, Name of the Industry, Email address, Phone, Country, Address, City, Country State, Postal/Zip Code.
- Similarly, the basic details that need to be filled in case of Project partners include Name of the Project Partner, Current Position/Designation, Department/Division, of the Industry, Email address, Phone, Country.

Note: Here, we opted for 2+2 i.e., 2 from India and 2 from Germany

Among the 2 from each country, one must be from Industry, and one has to be from Academia respectively.

Screen 4:

The screenshot shows a web form for entering project partner details. At the top, there are three input fields: 'Email *', 'Phone *' (with the value '6789054321'), and 'Country *' (with a dropdown menu showing 'Germany'). Below these is a header bar with a German flag icon and the text 'Munich University (Kapil Kapil)'. The main form area contains several fields: 'Salutation *' (dropdown with 'Mr.'), 'Name of Project Partner *' (text input with 'Kapil'), 'Current Position/Designation *' (text input with 'Associate Professor'), and 'Department/Division *' (text input with 'Environmental engineering'). There is a red 'Delete' button in the top right corner of this section. Below these are 'Institution/Industry *' (radio buttons for 'Academia' and 'Industry'), 'Name *' (text input with 'Munich University'), and 'HomePage URL'. At the bottom of the form are another set of 'Email *', 'Phone *' (with '8907654321'), and 'Country *' (dropdown with 'Germany'). At the very bottom are two buttons: '← Back' and '✓ Save and Next'.

Once these details are filled out, you can click on save and next and proceed to the next section.

11. Individual Project Partner Application Procedure: Before heading out to the next section in the coordinator page, the project partners would receive an email with verification button, verification link and login credentials.

Once you click on that verification button/link, you will be verified and redirected to the login page. You need to fill in with the respective login credentials for the individual project partners to login separately to fill in their details.

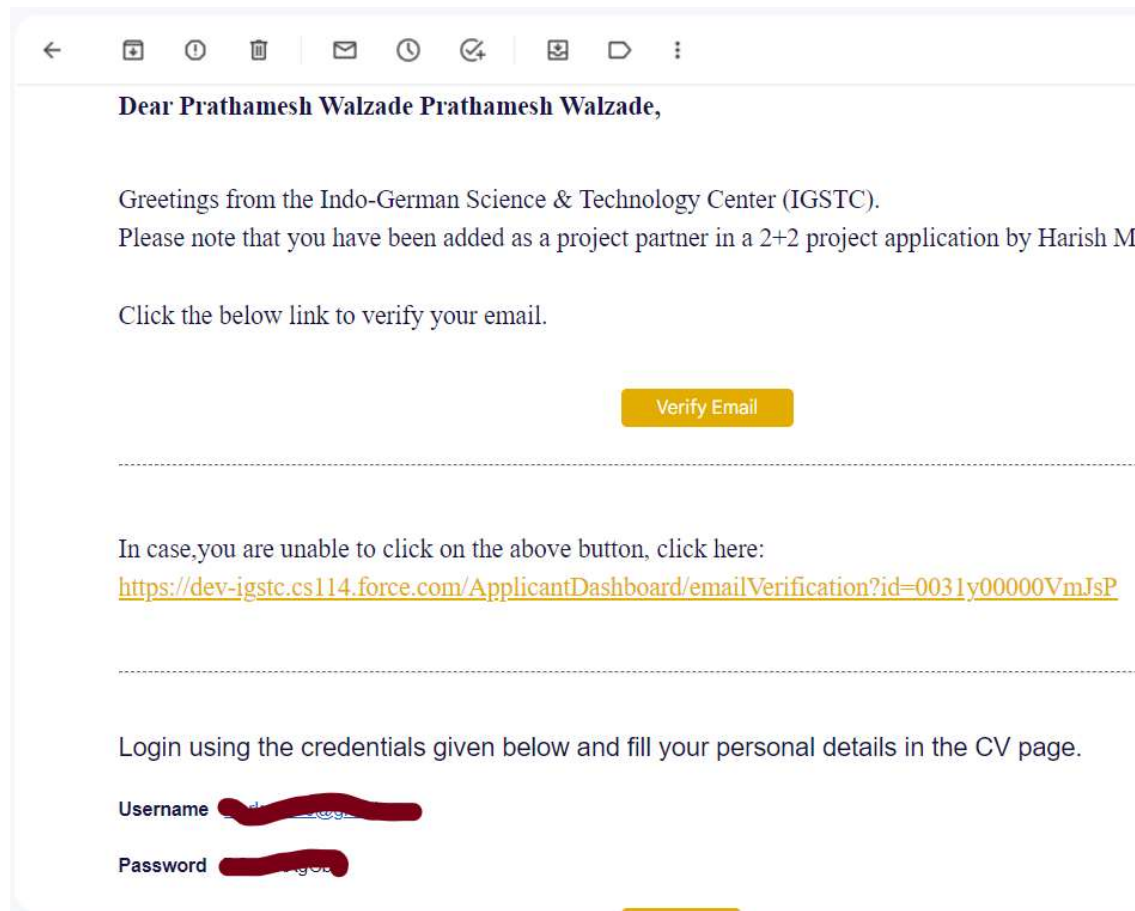

- As said earlier, for the project partner to login, he/she needs to sign in with the login credentials sent in the email.
- Once they login, they can directly click on the apply button and once they click on the apply button, it redirects to the project page that is filled in by the coordinator.
- The initial two sections are auto populated with the data filled in by the coordinator.
- The initial two sections include basic details about the project and basic details about the project partner.

Note: Only when all the project partners complete their individual applications successfully, only then the coordinator would be able to submit the application successfully.

Below is the table describing the proposal procedure for the three project partners. Once this process is completed, we will again go back to coordinator page from Point 15.

12. From Indian Academia-Project partner 1:

Step 1: Receiving the verification link/button and login credentials.

Step 2: After login, click on the apply button which redirects to the same project that the coordinator has filled in.

Step 3: The basic details in the first two sections i.e., basic details of the project and the project partner get auto populated here.

NOTE: This section (Basic Details) is READ-ONLY. Kindly navigate to the next section- "Consortium Details" from the top.

Once you fill in the details, click on save and next to proceed to the next section-Project Details.

18. In this section-**Project Details**, the pdf file of the coordinator with respect to his/her project needs to be uploaded which should not be greater than 5MB.

Note: Only Coordinator can upload the Project Details document and the other project partners apart from the coordinator can only view the document.

Since he is the coordinator here, he can only upload the project details document here.

Once uploaded successfully, click on save and next to proceed to the last section of the first stage of the application-Declaration section.

The screenshot shows a progress bar at the top with six steps: Basic Details, Consortium Details, CV Details, Financial Contribution, Project Details, and Declaration. The 'Declaration' step is currently active. Below the progress bar, a light blue box contains the text 'Max. PDF size is 5MB'. Underneath, there is a file upload area with the text 'Only PDF File' and a 'Choose File' button. To the right of the button, it says 'No file chosen'. A green 'Upload' button is positioned to the right of the file selection area. At the bottom right of the form, there are two buttons: 'Previous' and 'Save and Next'.

19. In this section-**DECLARATION**, you must upload the signature (In jpg/jpeg format) and then submit the application finally to complete the first stage of the application process.

The screenshot shows the IGSTC application submission page. At the top, the IGSTC logo is on the left, and 'Application submission Deadline : 16th May 2024' is in the center. On the right, there are links for 'Home/2+2 Call' and 'My Proposal' with a user profile icon. Below the navigation bar is a progress bar with six steps: Basic Details, Consortia Details, Consortia Partner Details, Financial Contribution, Project Details, and Declaration. The 'Declaration' step is active. A light blue box contains instructions: 'Click on upload button to upload the Signature' and 'Partners need to "Submit" the application else Coordinator won't be able to Submit.' Below this is the 'DECLARATION' section with a text area containing a declaration statement. At the bottom, there is a 'Date' field with the value '27-03-2024' and a 'Signature (jpg/jpeg, Max 1 Mb)' field with a 'Choose File' button and 'No file chosen' text. A green 'Upload' button is to the right of the signature field. At the bottom right, there are three buttons: 'Back', 'Save', and 'Submit'.

Once the signature file is uploaded successfully, you can go ahead and submit the application which concludes the first stage of the proposal, and you will receive an email.
