

INDO-GERMAN SCIENCE & TECHNOLOGY CENTRE (IGSTC)

A Bilateral Institution of Government of India (DST) and Federal Government of Germany (BMBF)

IGSTC/2+2 Call 2025

Date: 01.05.2025

Subject: Corrigendum to the Call Text of 2+2 Call 2025 on “Advanced Materials”

This office was in receipt of several queries in respect to the expenditure on international travel. It is therefore clarified that travel between India and Germany under the project must adhere to the principle of reciprocity. Accordingly:

- **Travel expenses** shall be borne **by the travelling side**, and
- **Local hospitality/stay expenses** shall be covered **by the hosting side**.

Applicants are advised to consider this guideline while preparing and furnishing the budget requirements in their proposals.
